

**Amanda Woolley, B.Bus**

I joined the Fleet in 2006 and became a deckhand on the James Craig in 2007. Over the subsequent years, I have sailed on the Craig as both a steward and a kitchen hand, have become a member of the tugboat crew, and occasionally stand in as a deckhand on the Harman.

I have served two terms on the board and previously chaired the Fundraising Committee, for which my financial and commercial background was most useful.

I have a broad knowledge of the Fleet and am currently filling a vacancy on the Board until the next AGM.
